WORLD JOURNEY TRAVEL, LLC looks forward to assisting you with all of your travel needs. Optional trip insurance will be offered for each package you book through World Journey Travel. Rates for insurance will vary depending upon the insurance provider and extent of coverage.

World Journey Travel is not responsible for any injuries, weather conditions or mishaps that may prevent you from completing your trip. Once final payment is made the traveler is totally responsible for all charges. If the trip is cancelled, delayed or interrupted due to weather, acts of war, medical outbreaks, injuries to oneself, deaths or any other event which prevents you from completing the trip you are still responsible. However, if you have purchased insurance you may file a claim to get your money refunded.

World Journey Travel cannot refund any part of your investment as that money has been used to pay the companies providing services and will not be refunded to World Journey Travel. Cancellations made prior to departure may result in a portion of your payment being refunded by the service provider but is not guaranteed and in many cases the provider will simply issue a voucher for future travel.

Deposit and full payments on any of group packages are non-refundable unless otherwise stated on your invoice. Deposits and full payment on individual trips will be subject to the terms and conditions of the vendor providing the travel. Final payment and penalty dates will be noted on your invoice. Due to the changes in taxes, fees & surcharges, group pricing is subject to change until ticketing. Actual ticketing does not usually take place until after our final payment date. World Journey

Travel reserves the right to increase prices up to the actual ticketing date to cover these changes. These changes are not covered by travel insurance. We strongly recommend purchasing travel insurance to protect your investment.

Airline only reservations will incur a \$25 service fee. This will not be applied to packages* that include airfare. A signed credit card authorization form is required on every credit card transaction.

*Packages are described as follows: Trips where all components (air/hotel or cruise/car/excursions) are booked as 1 item through a tour company or wholesale travel provider. Any time air, hotel, car or cruises are booked as separate reservations a \$25 service fee will be added to the total cost of the airfare.

World Journey Travel, LLC reserves the right to change these terms and conditions.
